

## **Pre/Post RN**

### **About Precision Surgery Center**

We are dedicated to personalized care in a compassionate setting. Precision Surgery Center provides state-of-the-art care in the surgical treatment involving the retina, vitreous, and macula. Precision Surgery Center has an exceptional full-, part-time or PRN opportunity for an experienced Pre/Post Registered Nurse in our ambulatory surgery center.

### **Job Description**

We are seeking a compassionate and experienced Registered Nurse (RN) to join our dedicated surgical team as a Pre/Post Operative Care Nurse at Precision Surgery Center. As an RN in this role, you will be responsible for providing comprehensive care to patients before and after surgical procedures, ensuring their safety, comfort, and well-being throughout the perioperative process. Your expertise and commitment to patient care will be invaluable in delivering high-quality healthcare services to our community.

### **Responsibilities**

- Conducting pre-operative assessments, including reviewing medical histories, medications, and allergies, and addressing any patient concerns.
- Collaborating with the surgical team, including surgeons, anesthesiologists, and other healthcare professionals, to develop individualized care plans for each patient.
- Educating patients and their families about the surgical process, post-operative care instructions, and potential risks and complications.
- Administering medications, IV fluids, and other treatments as prescribed.
- Monitoring patients' vital signs, pain levels, and overall condition during the pre-operative and post-operative phases.
- Preparing patients for surgery, including administering pre-operative medications and ensuring the surgical site is appropriately marked and verified.
- Assisting with patient positioning and providing emotional support to alleviate anxiety.
- Ensuring a safe and sterile environment in the pre-operative and post-operative areas, adhering to infection control protocols.
- Collaborating with the recovery room staff to ensure a smooth transition from the post-operative phase to the recovery phase.
- Documenting all aspects of patient care accurately and promptly in the electronic medical records system.

- Responding promptly to any changes in patient condition or emergencies and initiating appropriate interventions.
- Participating in continuous education and staying up-to-date with best practices and advancements in perioperative nursing.

### **Qualifications**

- Current and valid Registered Nurse (RN) license in Arizona.
- Minimum 2 years of experience in perioperative nursing, including pre-operative and post-operative care.
- BLS, ACLS, and PALS certification.
- Strong knowledge of surgical procedures, anesthesia, and perioperative nursing protocols.
- Excellent communication and interpersonal skills, with the ability to provide compassionate care to patients and their families.
- Proficiency in using electronic medical records systems and other medical software.
- Dedication to maintaining patient confidentiality and privacy.

### **Benefits**

- Competitive salary and benefits package.
- Supportive and collaborative work environment.
- Health, dental, and vision insurance.
- Retirement savings plan.
- Paid time off and holidays.
- No weekends or call.

### **How to Apply**

If you are interested in this exciting opportunity to work as a Pre/Post RN with our exceptional surgical team, please submit your updated resume to [dgrant@psctucson.com](mailto:dgrant@psctucson.com).
